IN reference to last night's spot report. 222054H KIA-16 year old V.N. male. 2 people spotted on edge of wire and this unit opened fire

this morning investigation was held by this unit and S-5. A hole was found in wire, bloody bandages inside wire, villagers dug up two small areas - water + rice next to wire where

(Continued on back)

1 V.C.

REPORTED BY: [Signature]

15

Suspects were spotted, Investigation also included  
that the 16 year old could not have been hit where  
the people say he was AT.
