*With grateful thanks to Doc Johnson  
for many hours and a painstaking  
labor of love in compiling this list*

**\*\*Note:**

The brave Marines listed under the date of 4 March 1966 were the former Hotel Company, 2/1 of 1965. They shipped out of Pendelton and fought with 2/1 on Operation Harvest Moon. In February, 1966, the entire company was sent to 2/7 where, with one swipe of a pen, they were re-designated Foxtrot 2/7. Less than one month later, these men gave what Abraham Lincoln described as the "last, full measure of devotion." In the hearts of 2/1, these men will live forever. And so will they also live on 2/1's memorial as well as 2/7's web site.

(Many thanks to Sgt. Manuel Mateo, Jr. for bringing this to our attention.)
